

Financing Programme for 2019

2nd Quarter Guidelines

1. Issuance of Government Bonds (PGB)

During the quarter, IGCP intends to issue PGB using a combination of syndications and auctions, with an expected issuance amount between 1,000 and 1,250 million euro per auction.

PGB auctions will have the participation of the Primary Dealers (OEV) and Other Auction Participants (OMP) and can be held on the 2nd or 4th Wednesday of the month after announcement of the indicative amount and the PGB to be tapped up to three days before the respective auction date.

2. Issuance of Treasury Bills (TBill)

The Treasury Bills' issuance calendar in the 2nd quarter of 2019 will be the following:
